

YEAR 3 HOMEWORK ENRICHMENT TASKS: SUMMER 2018

HUMANITIES The Tudors	<p>The Tudor Feast The Tudors enjoyed magnificent feasts that lasted for hours! Can you plan a feast and, if possible, make one or more of the dishes and have your own feast at home?</p>	<p>What's in a name? The family tree of Henry VIII was very interesting – can you research your own family tree and draw it (be creative)? Get talking to your family and go back as far as your grandparents at least.</p>	<p>Love it or List It Make a Tudor House model and label its features. Will you choose a rich or poor Tudor home? Evaluate your model.</p>	<p>The X Factor? Have you independently, away from our homework grid, researched/discovered/created something about our topic on Tudors? Have you put a lot of effort in to this? Are you proud of it and think it is amazing? We want to see it...</p>
HUMANITIES Eco-Warriors	<p>Monster Muncher Design a machine that recycles a material of your choice. Please label your machine and explain how it works.</p>	<p>Our feathered friends Design and make a bird feeding station using items you have recycled.</p>	<p>Switch off Sunday Take some time to enjoy being without electricity and electronic devices. See how long you and your family can last!</p>	<p>Scratch that! Using the Scratch programme create a simple game where your avatar collects pieces of rubbish.</p>
SCIENCE	<p>Inventors Create a poster, leaflet or power point about an inventor of your choice.</p>	<p>Creation Station Invent a product of your choice. Describe your target audience and create a diagram of how it would work.</p>	<p>I do love to be beside the sea! Visit the beach with your family and collect some interesting shells, stones and general flotsam. Create a 3D picture to share with your friends.</p>	<p>Shoe in Using a shoe box create a habitat for a marine animal. Use lots of different materials to make your world come to life.</p>
ICT	<p>Create a report on a hobby, activity or interest that you have. Present your findings in your own words, including graphics. Use Word or PowerPoint.</p>		<p>Design a new form of technology. It could be a form of mobile communication or an invention. Create a poster, slideshow or booklet to showcase and present your innovation to the public for the first time.</p>	
GLOBAL STUDIES	<p>Find out some interesting facts about Italy – where is the country? What is its capital city? What continent is it in? How can you get there? What is Italy famous for? What food and drink is eaten there? Give me some names of famous Italians!</p>		<p>What are morals? Create an eye-catching poster explaining what they are.</p>	
PERFORMING ARTS	<p>Create your own improvisation.</p>		<p>Think about the role that you have for the Summer Show. What can you do at home to help you practise for the final performances?</p>	
RE	<p>Jesus's life: make some traditional food that you would expect to eat during Jesus's time and take some photos. Hinduism: create a poster/power point of your favourite god or goddess. Special foods: draw a diagram of the special foods eaten by Hindus, Christians, Muslims, Buddhists or Sikhs.</p>			
ART & DESIGN	<p>Visit a gallery or exhibition. Create a scrap book showing of some of the paintings and artworks that you really liked, draw your own interpretations of these artworks and jot down why you enjoyed these works in particular. Print off images and stick postcards into your book, labelling the type of paint used, the types of brushstrokes, the composition and story that the painting is showing.</p>		<p>To research and create a project based on either a particular style of architecture or a range of architecture.</p>	
FRENCH	<p>Who was Asterix the Gaul? Can you find any books about him? Who was the author and when were the books/comics written? What does Asterix look like? Who are his friends? Where does he live?</p>		<p>What foods and drinks can you eat in France that are different to our foods in the UK? Create a poster showing some you know about or have eaten!</p>
